1 _____ 2) _____ 3) _____
 Indicate first, second and third choices for Preferred Start and End Dates of requested class. Confirmed dates will be arranged between Instructor and the Host Dept.

 Instructor(s) Requested
 Instructor(s) have been pre-arranged for these date choices.

Making the Request for Training is Quick and Simple

- ◆ **Request Forms.** A separate "Request for Training – Cornerstone Program" is required for each requested class. Copies of the form are available on the IFSI web site at www.fsi.illinois.edu or from a Regional Representative.
- ◆ **Fill in all blanks.** Complete as much information as possible. E-mail addresses and phone numbers where personnel are regularly available are essential for rapid response, processing and scheduling.
- ◆ **Date choices.** A range of class date choices will increase the probability of instructors being available. Choices should include all dates and times for the class.
- ◆ **Choice of classes.** A complete list of classes is on the reverse side of this form.
- ◆ **Check Only One Class Per Form, please. (Request additional classes with additional forms)**
- ◆ **Mail or fax** the completed form to the Illinois Fire Service Institute (information above).

Confirming the Cornerstone Class is Simple and... Required

- ◆ **Confirming a Cornerstone Class:** Upon receipt of a request, your request is logged and forwarded to the Regional Representative. An instructor is arranged and the dates are confirmed. **A Memorandum of Agreement (MOA) is mailed to the contact person listed on the request form. Classes will not be delivered unless there is a signed Memorandum of Agreement returned and on file 30 days prior to the first day of class.**
- ◆ **"Instructor(s) Requested"** An instructor does not need to be specified. However, arranging a requested instructor is dependent on qualifications, location, and availability. A faster request processing turnaround time will occur when the instructor is contacted directly and class times and dates are pre-arranged by the requesting organization. Please indicate if the instructor has been pre-arranged by marking the box under date choices.

SELECT YOUR CLASS FROM THE LIST ON THE BACK SIDE

PLEASE MARK THE CLASS YOU ARE REQUESTING

Fire Fighting Essentials (16 hours – see brochure or web site for description)

- Essentials I Essentials II Essentials III Essentials IV
