

## **Email on Mobile devices**

### **ActiveSync and Exchange Devices (Android, iPhone, iPod/iPad, Windows Mobile and some Palm, Sony, Motorola, Nokia and Symbian phones)**

Use these settings when configuring your ActiveSync device:

- Account Type: Exchange or ActiveSync
- Email address: [yournetid@illinois.edu](mailto:yournetid@illinois.edu)
- Domain: UOFI
- User Name: yournetid
- Password: your AD password
- Server: exchws.illinois.edu

## **Android Touchdown**

On the Touchdown settings section under Account put:

- Login ID: UofI\netid
- Email Address: UOFI\netid
- Password: Your AD password

Don't click Save on the Account screen. Instead go to the Connection page and put: Server Name: exchws.illinois.edu and check "Users SSL". Then save the settings
