

**ADVANCED BREATHING APPARATUS SPECIALIST**

**SMOKE DIVERS**

The Illinois Fire Service Institute Advanced Breathing Apparatus Specialist (Smoke Divers) course emphasizes the safe and efficient use of a self-contained breathing apparatus (SCBA). This intense three-day course prepares firefighters for fireground challenges by addressing air management, buddy breathing, and emergency procedures.

**CORE SKILLS TRAINING**  
**DONNING/DOFFING**  
**SHIFTING/DUMPING**  
**EMERGENCY PROCEDURES**  
**BUDDY BREATHING**

Following demonstrated mastery of core skills, students work in real and simulated fire conditions while performing functions where SCBA are essential. Training includes fireground search, air conservation, self-rescue and firefighter rescue techniques
