Course Syllabus

Course Title: Fire Service Vehicle Operator

Program: Fire Fighting

Web Page: www.fsi.uiuc.edu

Course Prerequisites: A minimum of a class B non-CDL driver’s license is required for the road-testing portion.

Course Description:

Fire Service Vehicle Operations is designed to give fire service personnel the basic knowledge to safely perform fire service vehicle operations as defined by NFPA 1451, Standard for a Fire Service Vehicle Operations Training Program, and NFPA 1002, Standard on Fire Apparatus Driver/Operator Professional Qualifications, 1998.

Course Policies:

Academic Integrity Policy: IFSI has the responsibility for maintaining academic integrity so as to protect the quality of the education provided through its courses, and to protect those who depend upon our integrity. It is the responsibility of the student to refrain from infractions of academic integrity, from conduct that may lead to suspicion of such infractions, and from conduct that aids others in such infractions. Any violation of the code of conduct is grounds for immediate dismissal from the course.

Grading Policy: Decisions regarding certificates of course completion shall be made solely by the lead instructor of the course. All grading of exams shall be conducted by qualified instructors.
Course Content:

Unit: 1
Title: Orientation

Unit: 2
Title: Introduction

Unit: 3
Title: Extent of the Problem

Unit: 4
Title: Personnel Selection

Unit: 5
Title: SOP’s and SOG’s

Unit: 6
