

Program of Instruction

Course Syllabus

Course Title: Company Inspections

Course Duration: 1-16 Hours

Program: Prevention

Course Description:

Company Inspections is a course designed to prepare an individual to conduct basic fire prevention inspections at the company level. The class focuses on the importance of fire prevention as part of the fire service mission and on presenting the activities and skills involved in conducting company-level inspections.

Course Requirements and/or Recommendations: These can be divided into three categories: those completed prior to arriving in class (Pre-Course Work), those completed during class, such as homework assignments and quizzes (Course Work), and requirements completed after class but prior to receiving a certificate of completion. (Post-Course Work)

Summary of Directions

Pre-Course Work: None

Course Work: Attend 100% of the class hours.

Post-Course Work: None

Course Policies:

Safety Policy: Students shall understand and follow all instructions pertaining to operational safety, as stated by instructors or as written in course materials. Instructors and students shall be mindful of safety at all times. Conduct judged to be unsafe shall be grounds for dismissal from the course.

Academic Integrity Policy: IFSI has the responsibility for maintaining academic integrity so as to protect the quality of the education provided through its courses, and to protect those who depend upon our integrity. It is the responsibility of the student to refrain from infractions of academic integrity, from conduct that may lead to suspicion of such infractions, and from conduct that aids others in such infractions. Any violation of the code of conduct is grounds for immediate dismissal from the course.

Course Content:

Module: 1

Title: The Need for Fire Prevention

Terminal Learning Objective:

After completing this module, the student will be able to explain the importance of fire prevention as part of the fire service mission.

Module: 2

Title: Conducting Company-Level Inspections

Terminal Learning Objective:
