Course Title: DRIVE Fire Level 2

Course Duration: 2 hours

Program: Driver/Operator

Course Prerequisites:

DRIVE Fire Level 1 or;
OSFM FSVO Certification

Course Description: This blended course is designed for students with limited or no experience operating emergency vehicles. Students will complete an online presentation covering the complexities of emergency responses, legal principles, roadway and intersection hazard management, and emergency vehicle defensive driving principles. The driving simulator will be used to practice techniques such as hazard management and defensive driving practices while responding to an emergency. Proper apparatus placement considerations will also be discussed upon arrival to the scene.

Course Requirements and/or Recommendations: These can be divided into three categories: those completed prior to arriving in class (Pre-Course Work), those completed during class, such as homework assignments and quizzes (Course Work), and requirements completed after class but prior to receiving a certificate of completion. (Post-Course Work)

Summary of Directions

Pre-Course Work: Complete the online learning modules.
Course Work: Attend driving simulator practical exercises
Post-Course Work: None
