Present

## LEADERSHIP DEVELOPMENT AND DECISION MAKING

Leadership Development and Decision Making (LDDM) Program provides a one of a kind training experience. LDDM Instructors introduce each topic through highly interactive small group discussions, ethical and moral discussion groups, tactical decision games, sand table exercises, and practical application exercises. Instructors facilitate interaction and challenge each student to reach outside of his/her comfort zone through discovery learning, rather than the classic lecture and direction format.

IF YOU ARE A FIRE SERVICE LEADER WHO IS WILLING TO EMBRACE THE CHALLENGE OF PERSONAL AND PROFESSIONAL DEVELOPMENT, THE LEADERSHIP DEVELOPMENT AND DECISION MAKING PROGRAM IS FOR YOU.

### LDDM LINES OF EDUCATION

- Leadership and Followership
- History and Traditions
- Communications
- Morals and Ethics
- Professional Development
- Decision Making and Critical Thinking
- Command Culture and Climate

May 21-25, 2018

CHIEF, OFFICER, AND FIREFIGHTER LEVELS  
Cook County Emergency Operations Center  
(CCEOC)  
Campus of Oak Forest Hospital  
15900 S. Cicero Avenue, Oak Forest

OPFD and CCDHSEM have agreed to provide tuition support for credentialed members of statewide specialized teams recognized by IEMA or employees of fire departments in the following Illinois counties: Cook, Du Page, Lake, Will, McHenry, and Kane.
