Email Setup for Phone or Tablet

<https://answers.uillinois.edu/illinois/47591>

VPN Setup:

Staff with an IFSI issued computer must connect to the VPN before accessing their files and resources if not on campus. Netstorage users must also use VPN.

<http://go.illinois.edu/vpn>

Netstorage:

A way for IFSI staff to access network resources such as files and folders on a personal computer.

Proceed with caution!

<http://go.illinois.edu/netstorage>

Webstore:

A resource where UofI staff can get discounts on software for your personal computer.

<http://go.illinois.edu/webstore>

Techzone:

A resource where UofI staff can get discounts on computers and tablets.

<http://go.illinois.edu/tech-zone>
